ROBINSON HIGH
SCHOOL

VOLUME XI
WACO, TEXAS

1974

Robinson has come a long way in ten years.

Ten years ago Robinson High School was a new school, with new students, new teachers, and new ideas.

As R.H.S. sees its tenth year as a senior high school come and go, it has a few new students, a few new teachers, many new ideas and many old friends . . .

. . . Changes in the state and nation especially influenced R.H.S. helping shape student life at Robinson. Too noticeable changes were in fashions. Pantsuits for girls and longer hair for boys were very noticeable changes in the last ten years . . .

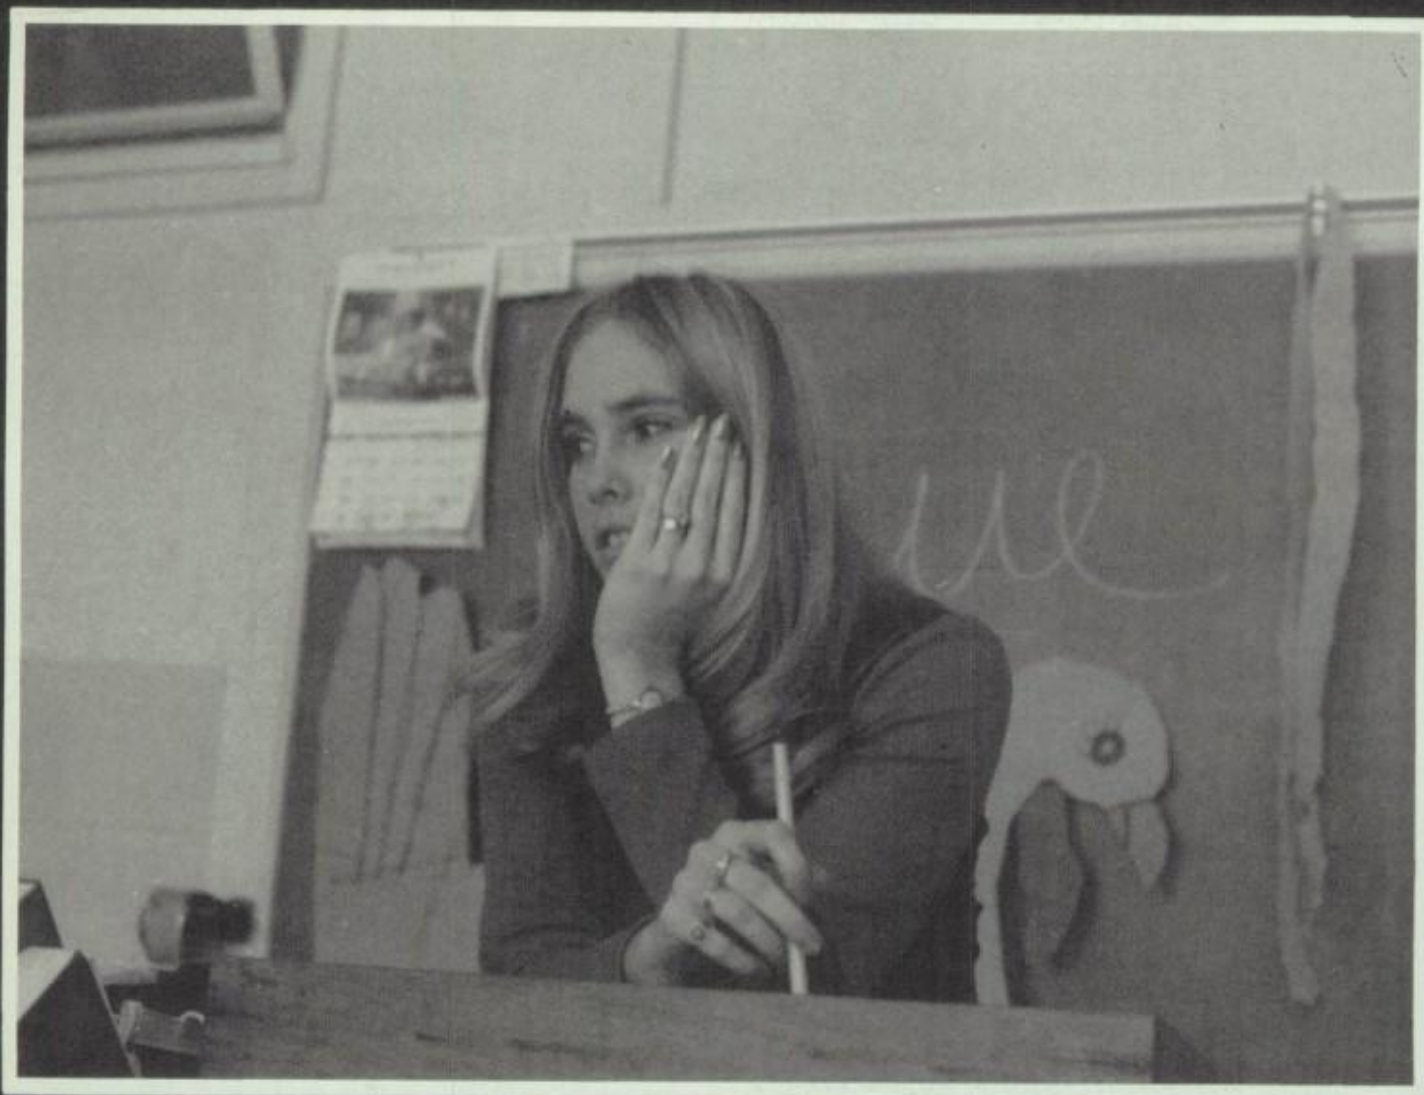

... We got up thirty minutes later, some students drove motorcycles and Volkswagens to save fuel. The lunch periods were extended fifteen minutes and we had two fifteen minute breaks. The class of '74 was the first to exercise full rights and responsibilities as adults while still in school.

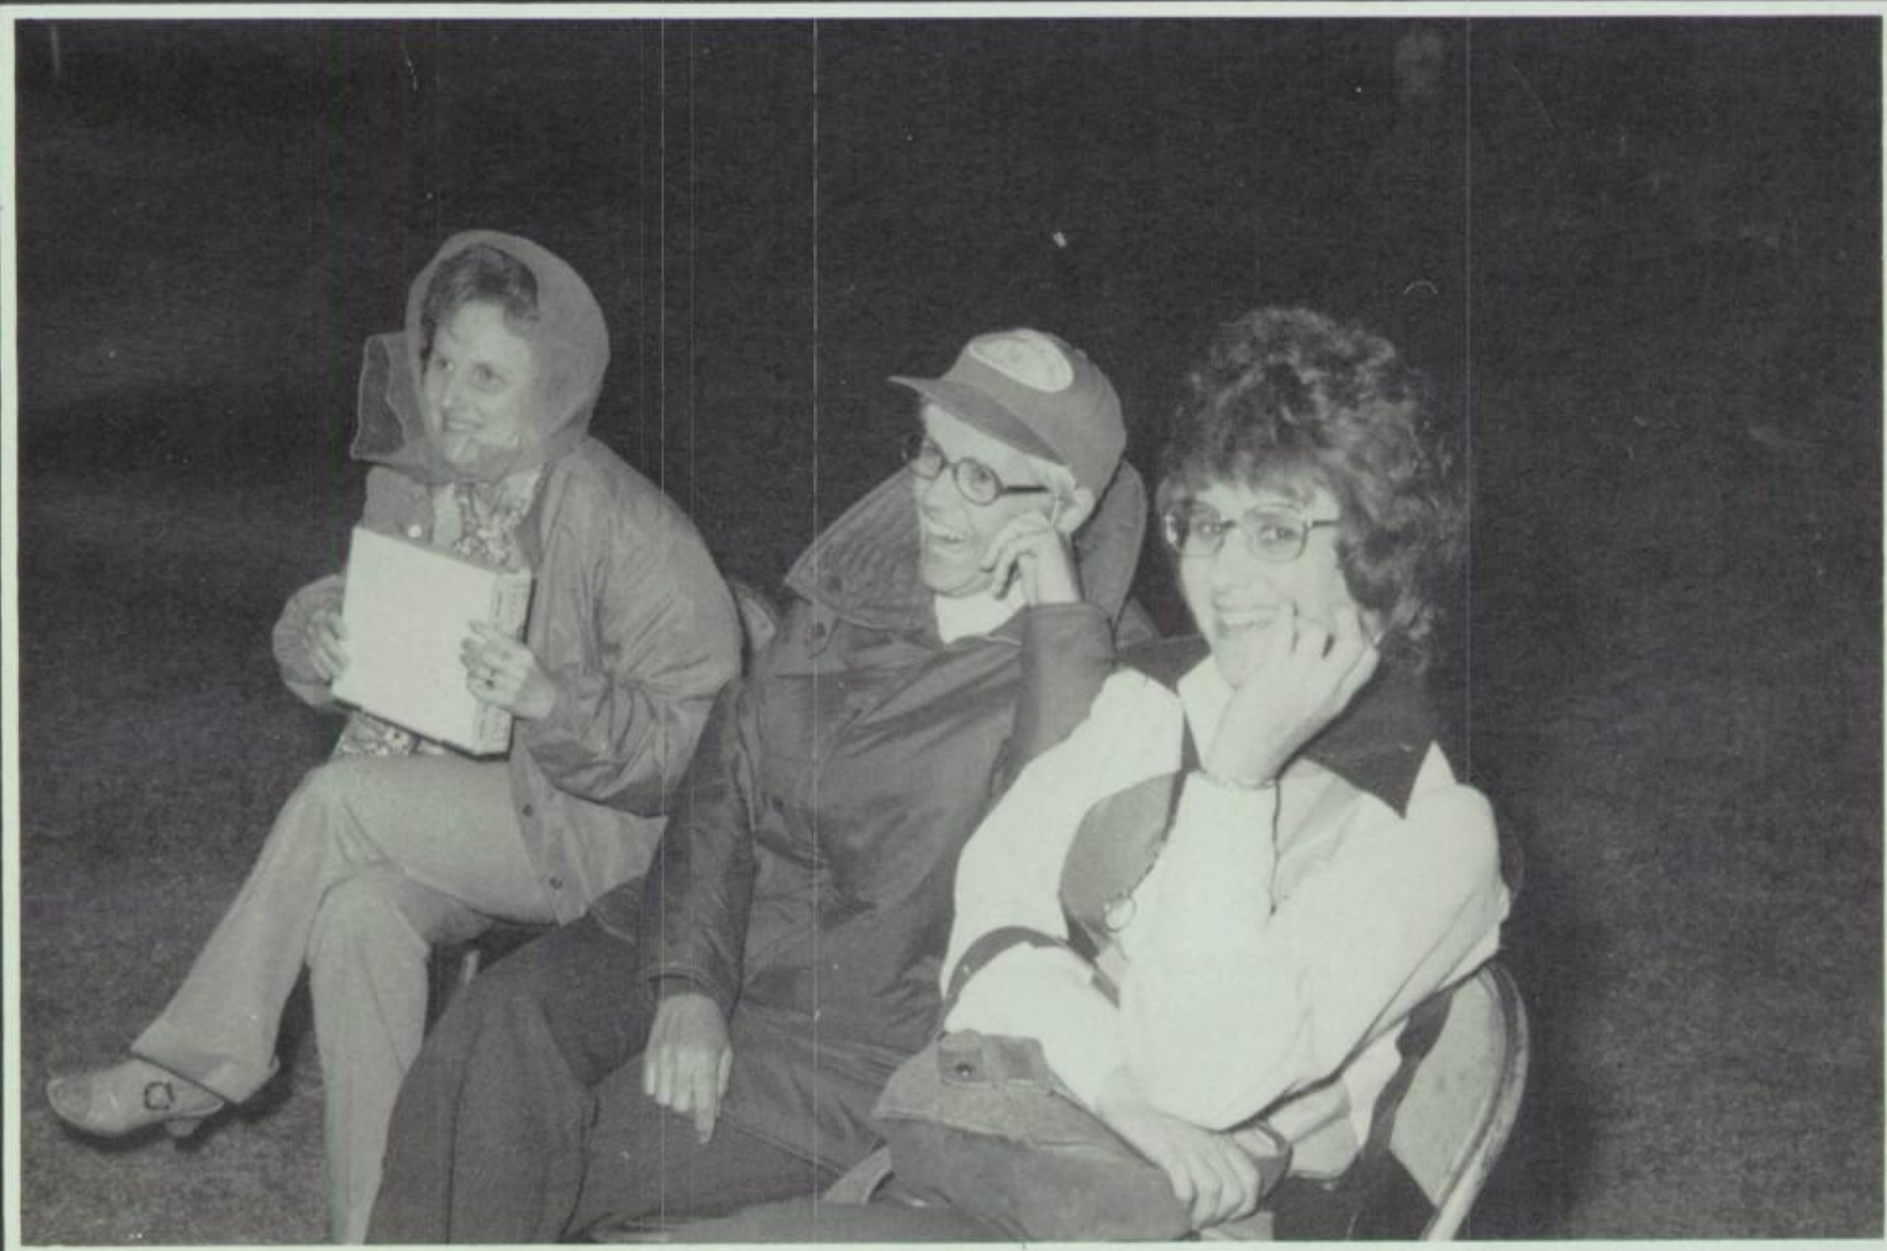

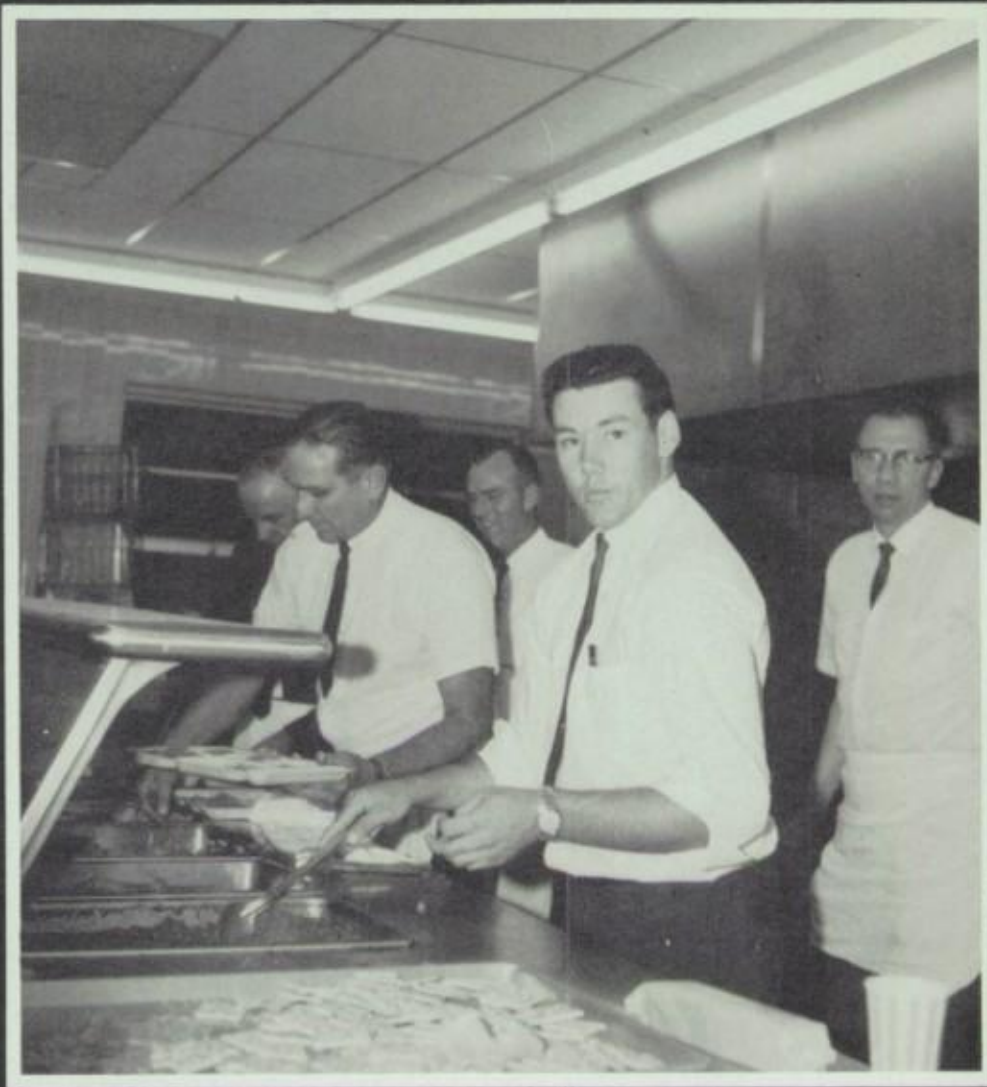

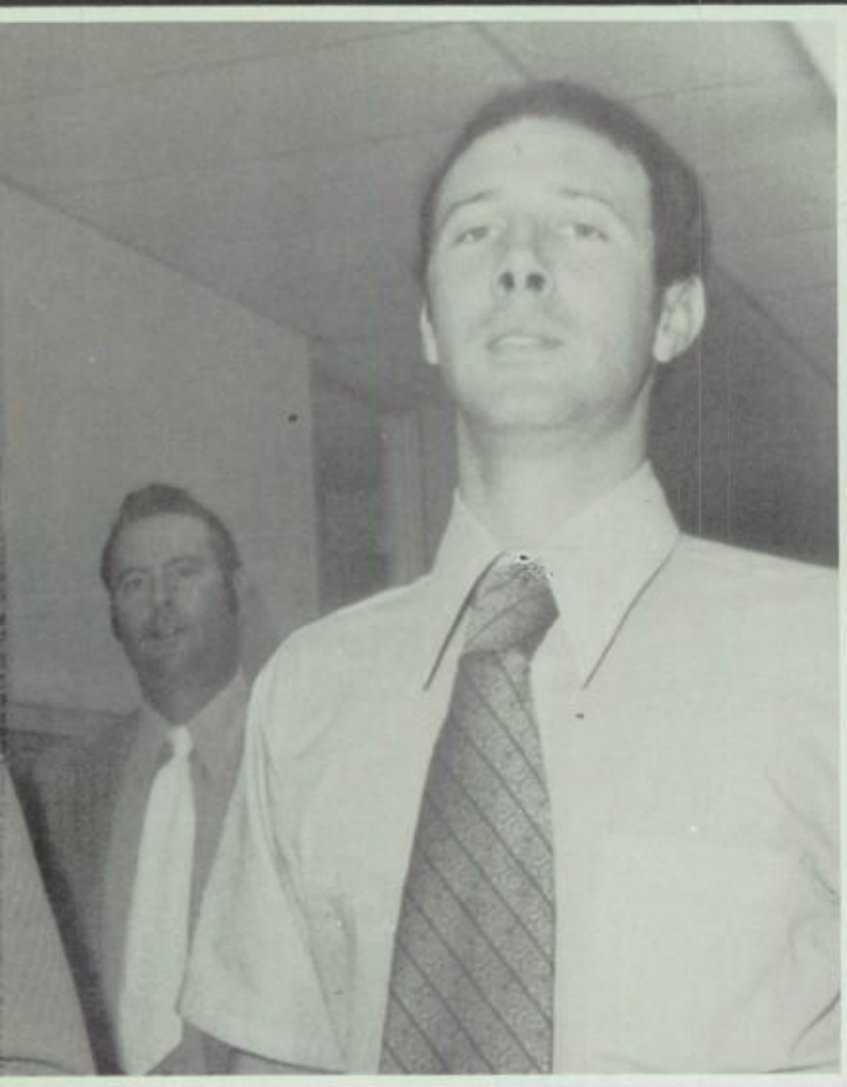

Spirit, determination and involvement have all helped in the betterment of R.H.S. Through the ten years of our high school's existence we have gained in academics, athletics, and countless other ways. As we look at the memories of the 1973-74 school year, we are proving . . . we have come a long way . . .

LUNCHROOM PERSONNEL and CUSTODIANS

High School: Seated—Mrs. Geraldine Hecker, Mrs. Laurinda Combs; Standing—Mrs. June Bollier, Mrs. Eveline Hoelscher

Two groups who receive little attention are the cooks and the custodians.

They have the big responsibility of keeping things running smoothly around the school. Working behind the scenes, they are not noticed much but are a vital part of our school system.

R.H.S. students appreciate the fine jobs done by these persons.

Junior High: Mrs. Jimmie McHargue, Mrs. Bertha House, and Mrs. Dora Nichols

Custodians: Mr. Jesse Longoris, Mr. Joe Pesina, Mr. Albert Morales, Mr. Lazaro Castilio, Mr. John Vasquez, and Mr. Nicholas Morales

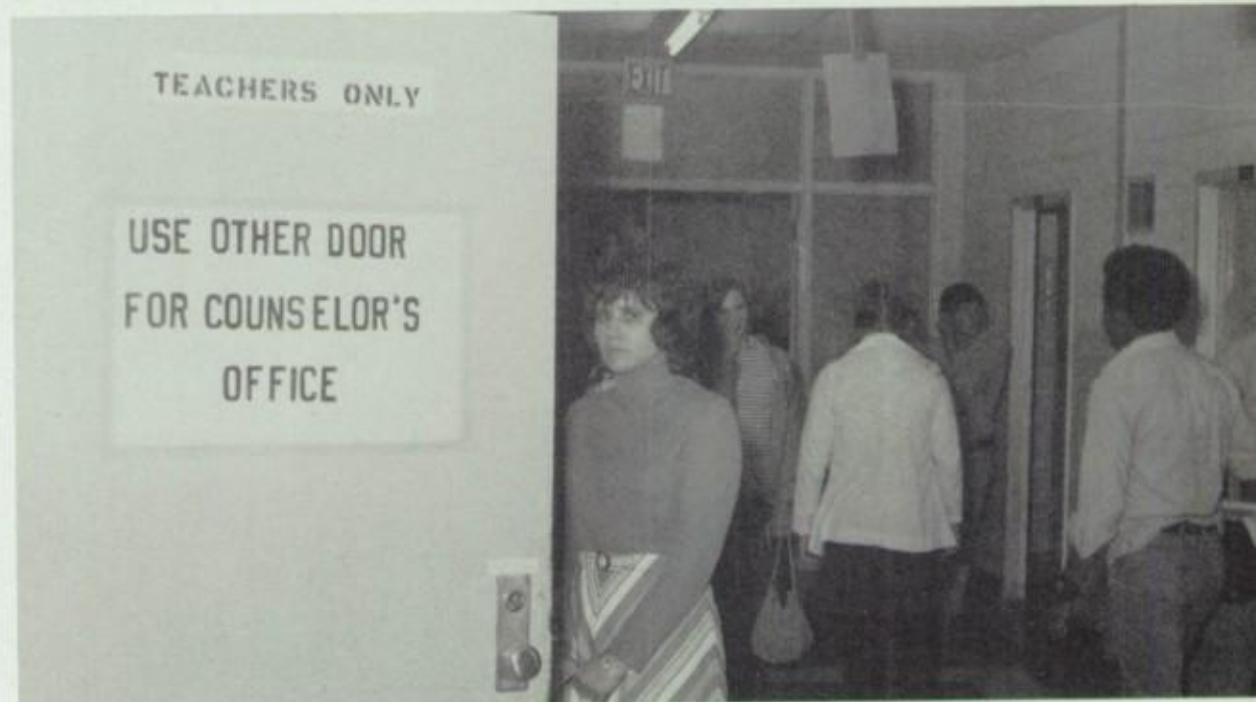

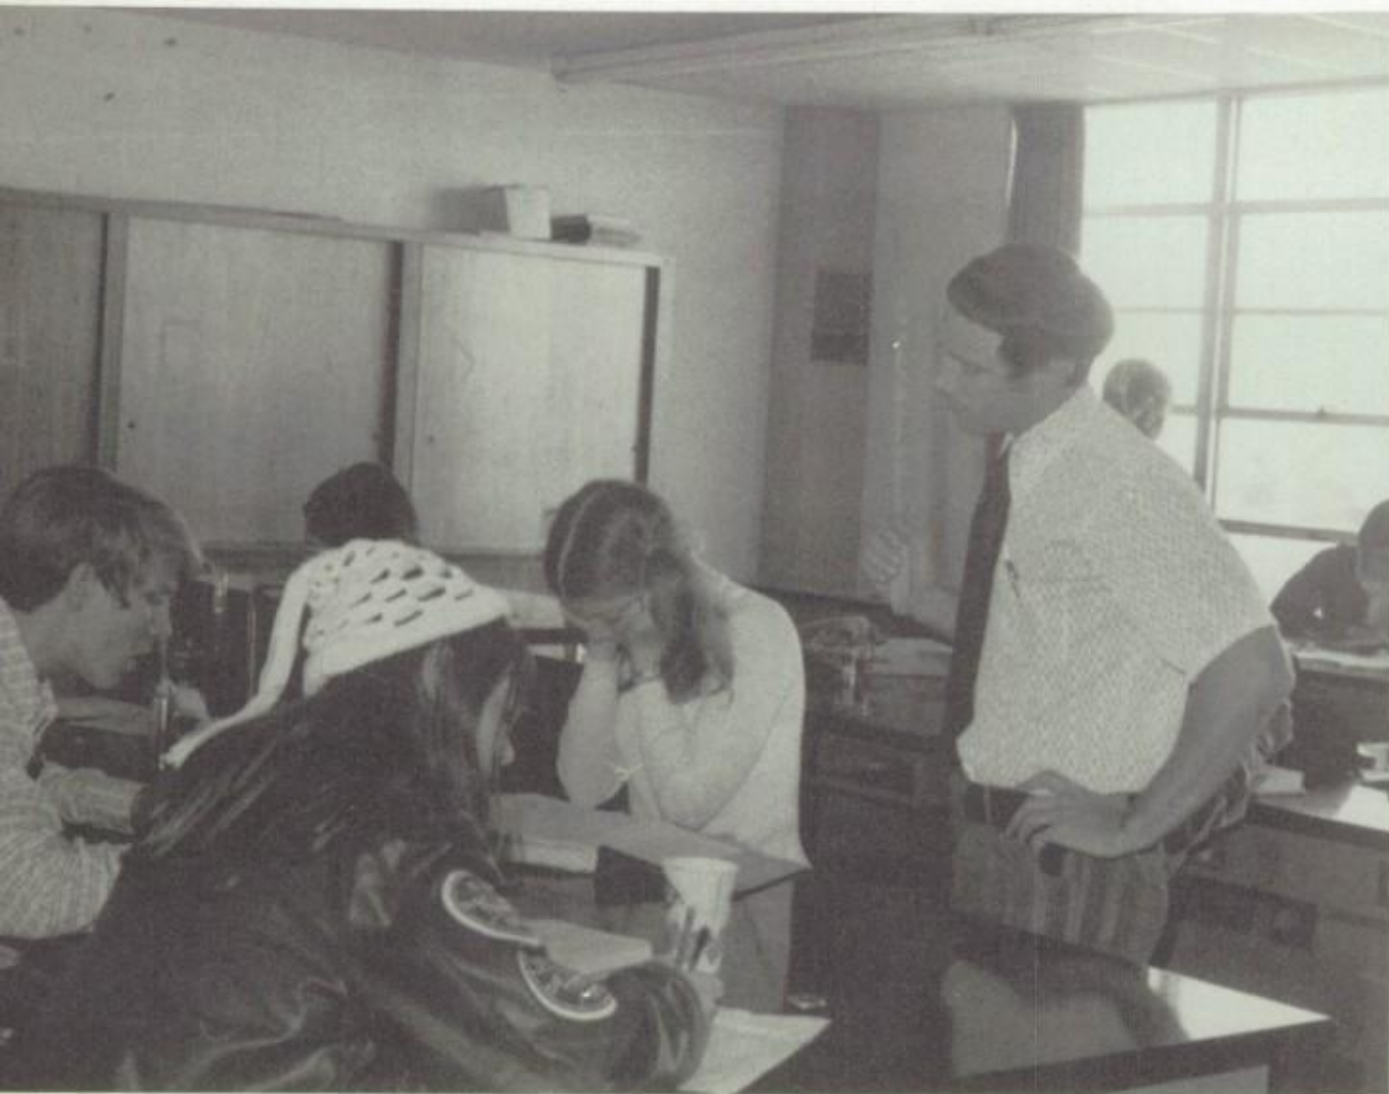

FACULTY SNAPS

Enjoying ice cream at the prom, setting up the science fair, relaxing before a game, presenting a spring choral concert, directing a junior high fashion show, teaching an adult education class, escaping to the teacher's lounge, and learning a new skill are all part of RHS faculty and staff.

Ten years has seen many changes in RHS. With the growth of the school, the number of faculty members has increased from 12 to 50. RHS has also come a long way in the variety of subjects offered to students. This year Robinson offered night adult education classes at mid-term.

VICTORIES OF HOMECOMING

After the Senior Class selected five girls as Homecoming Nominees, the student body elected **Keri Crane** as Homecoming Queen for 1973-1974. Along with being elected to Who's Who, Keri's activities include being a twirler in the band and serving on the Student Council

Homecoming nominees from left to right are **Martha Williams**, **Debbie Hogg**, **Debbie Hennig**, and **Kay Griffin**.

The competition between door decorating, the building of the bonfire, the selection of the nominees, and an anxious anticipation of a victorious game over Connally were all part of the preparations for the Homecoming for many exes. After the crowning of the queen and taking the game from Connally, the annual Homecoming dance proved to be a great success.

JUNIOR LANDSLIDE TAKES CROWN

With the words, "And the Carnival Queen for 1973 is **Miss Carmen Moore**," the jammed packed week of new and varied ideas came to a close. Because of Carmen's friendly ways and many activities, she was elected by popular vote to represent the Junior Class. She chose Jerry Prosise as her escort.

Pam Reid, Freshman

The Junior Class bringing in an unbelievable \$2,400 gained popularity with their original idea of a Rock-A-Thon. The Sophomore Class, who led a close second, will be remembered for their twenty mile Bike-A-Thon. The Senior and Freshman earnings, combined with the other two classes, set the Senior Scholarship Fund at a record high of over \$4,000.

IN MEMORY OF

Mike was a friend to us all, and one of the most loved. He was called suddenly to do a job far greater than he could have ever done here, for a greater person than on Earth. Everyone will miss him, but someday we will all meet again in a place of love and joy. God bless him always.

The 1973-74 Student Council has worked hard for the betterment of our school this year. To raise funds, members sold license plates and key chains. The Student Council sponsored the March of Dimes "sole" march. Robinson marchers raised more money than any AA school in the area. The Senior Farewell Dance was a smashing success in which the Student Council made over \$150 clear profit. The Student Council also sponsored a Junior High track meet, which was also a big success. The Student Council placed a Memorial in the foyer and plans to have some new furniture placed in the foyer also. The council also was very active in selecting an outstanding person each week for Personality of the Week. This years officers were Blake Rasner, President; Ingrid Weltge, Vice-President, Billy Paul Bradley, Secretary-Treasurer.

An early morning meeting.

The wholeeeee . . . thing!

The Vapor Trails Staff has made many new changes this year. They used different kinds of articles and sponsored a variety of contests, including the famous first annual pie-eating contest. The Vapor Trails staff managed to get out about two issues a month, with the help of Mrs. Smith, the sponsor, and Suzann Tepe, the typist.

The year began for the Robinson Future Homemakers at the Area FHA workshop held at Robinson High. On this day and other days following, plans for the year's activities were made. The year's activities included Christmas caroling, and making tray favors for the children at the Methodist Home. This year's theme was "World Needs and Concerns" Each meeting provided information and entertainment on the theme. During FHA week, the girls had a Breakfast for teachers, went to church together, rated junior high lockers, bought carnations for their parents, and made cakes for the boys' baseball and track teams. The **Robinson High Future Homemakers of America** felt that 1973-74 was a very successful year.

Now this is how it is done!!

Who said Latin is a dead language?

Rocket Rah Rah's build school spirit.

The Rocket Rah Rah's have certainly been that of a spirit building organization this year. They spent a lot of time and effort to show each and every athlete that they had the support that was needed for a winning team. Making such things as break-down signs, pin-ons, signs for the locker room, and special treats for each player were just a few of the things they did. The Rocket Rah Rah's owe many thanks to Mrs. Smith for her fine leadership because without her they would not have been the success that they have been.

This year's **Pride of the Blue** was very active as a concert and a marching band. The band first participated at the Parade of Champions in the Cotton Bowl at the State Fair and received \$100. At San Marcos, the Pride of the Blue marched in another contest and took part in the pre-game show of the South West Texas State University football game. We brought home many memories of the San Marcos trip, but one of the most memorable was the **kazoo band**. The band marched in U. I. L. Competition in November. In December the band presented the first annual Christmas Concert. Some of the band members organized a Stage Band which performed at this concert. The band made a trip to Brady to take part in a concert contest. In March, the band held a Spring Concert, and band parents prepared a Mexican Supper. The band also went to Temple in April to participate in U. I. L. concert contest. Individual honors earned by band members included 21 medals for solo and ensembles at Temple and 13 medals at the Baylor U. I. L. contest. The band played in February for the TSTA Meeting at the Convention Center. When the Doobie Brothers appeared in Waco for their concert, the band was invited to meet and play for them at the airport. Marlo Fedro, Colleen Oliver, Brenda Hickey, Chuck Gulebian, Tim Danford made All-District. Brenda Hickey made All-Regional Band.

This was the first year for Robinson to have a choir. The choir had thirty-six members who were both high school and junior high students.

The choir was invited to sing at the Heart O' Texas Fair. They also sang at Beverly Manor Nursing Home during Thanksgiving, and at Christmas they performed at Sears, the V.A. hospital and the Robinson Drive Methodist Church. The choir also held the devotional at the P.T.A. meeting. In March, they made a 3 in concert music and a 4 in sight reading. The choir also attended U.I.L. contests.

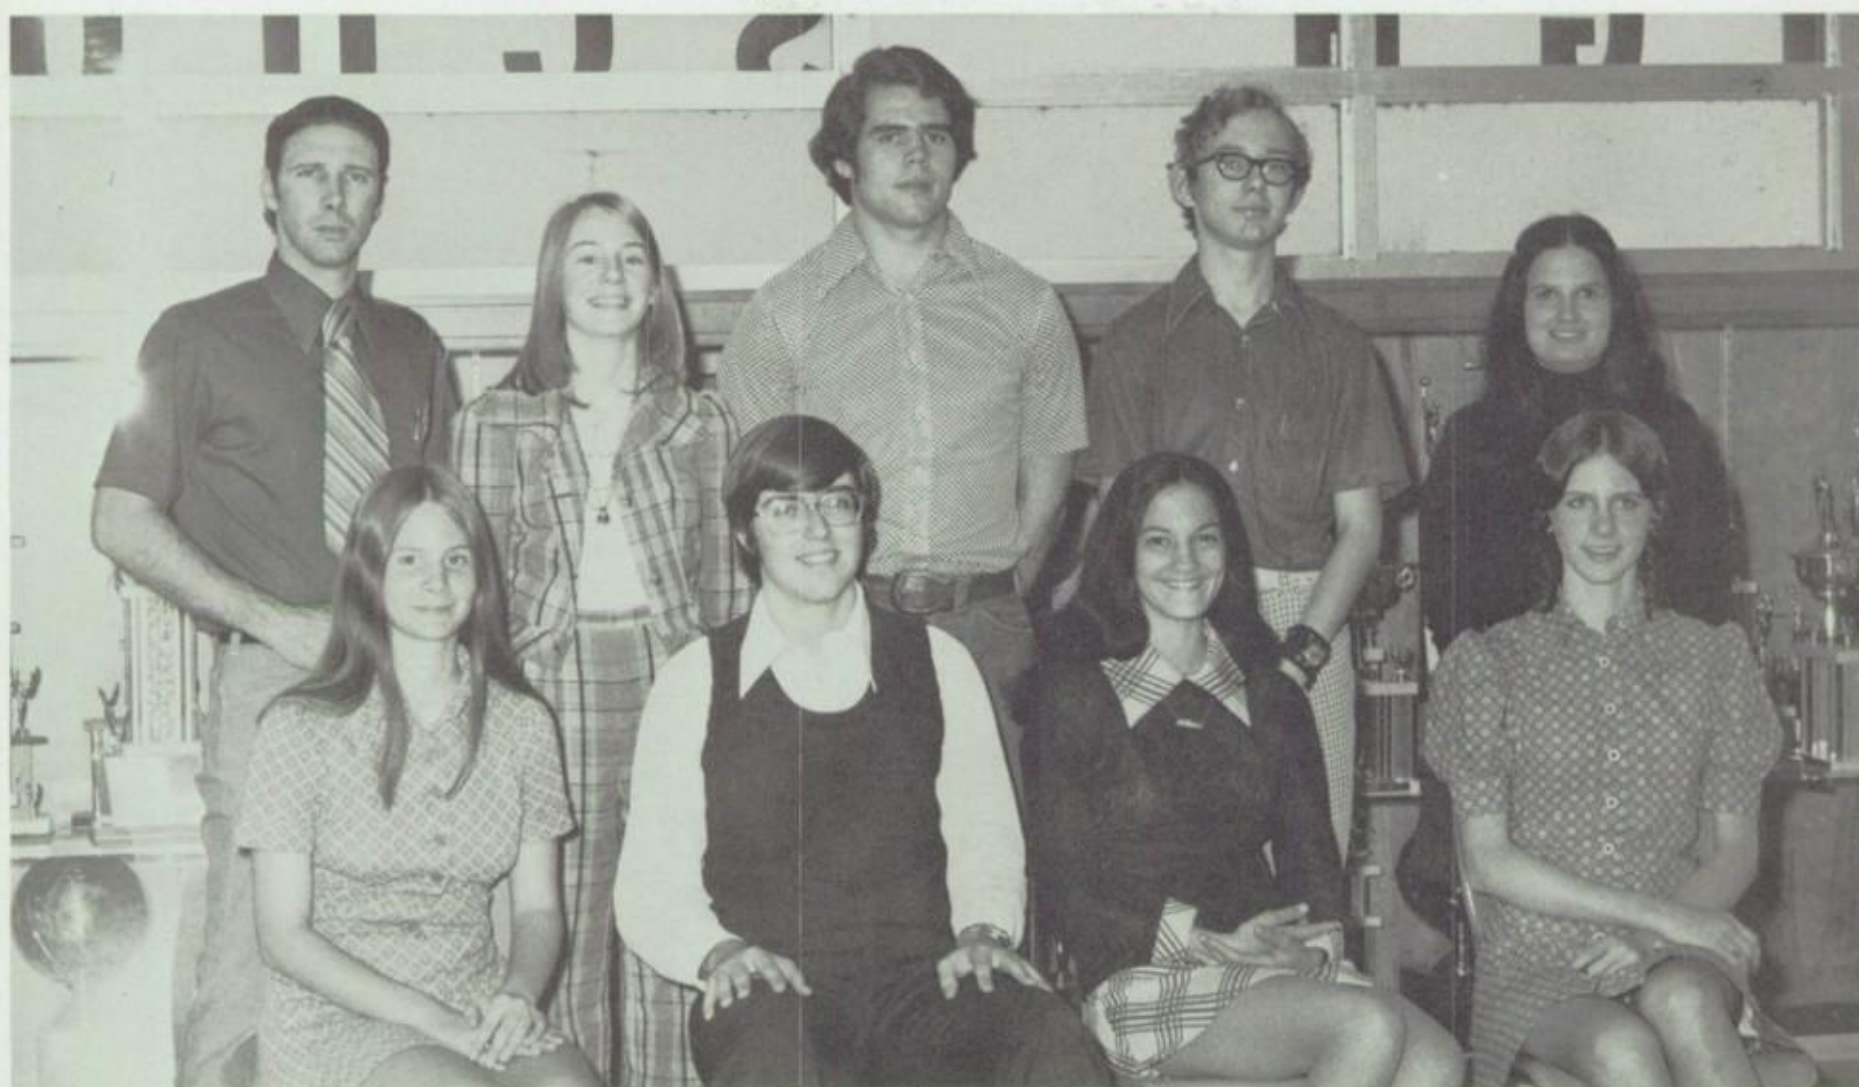

The choir also performed at assemblies for both the high school and junior high.

CHALLENGE TEAM

Row I—Brenda Hickey, Don Daunis, Jo Ann Rosenfeld, Sarah Martin, Row II—Mr. McGinty, sponsor, Suzann Tepe, Jamie Oliver, Ellis Lowe, Mrs. Johns, sponsor.

Challenge, a television game show sponsored by the Rotary Club of Waco, offers the students of Central Texas an opportunity to compete for academic honors. Each Thursday evening four students from each of the two area high schools met at KWTX studios to tape the show which was shown on channel 10 the following Sunday afternoon. Each school was scheduled for two appearances. The Championship was determined in a game between the two schools having the highest total scores in their two previous appearances.

Many weeks of practice on the part of numerous students led to the selection of the team which represented Robinson High School. The 1974 challenge team consisted of Don Daunis, Captain, Brenda Hickey, Sarah Martin and Jo Ann Rosenfeld. The team emerged from the season with a 1-1 record. Their first opponent, Connally won in a closely contested match. McGregor, in the second game, fell to Robinson's superior performance. The final activity of the year was a luncheon at the Rotary Club's regular meeting which honored all the participating schools. At this luncheon a check to the library fund was presented to Robinson for the team's efforts.

A Dramatic End!

The Yearbook Staff 1973-74 hopes that you enjoy your yearbook and that it helps you remember all the happiness of this school year.

The Yearbook Staff worked hard this year to make this a great book. In spite of the fact that some members "goofed off", we think this is the best yearbook ever, and both classes did have fun working and celebrating many occasions. We wanted it to be so, because we remembered R.H.S. today and how it was ten years ago. We feel that we have come a long way.

BEST WISHES
Class of '74

You could spend as much to learn a skill as we'll pay you.

You've graduated from high school, and you're looking for a good job. But to get one, you need training that could possibly cost hundreds of dollars in trade or technical schools.

Today's Army offers you this training, and a salary, too. \$307.20 a month before deductions, to start. And that's money in the bank when you consider that expenses like food, housing, medical and dental care are all free.

We have over 200 excellent job-training courses. Taught by qualified, professional instructors, with equipment you can't wait to get your hands on.

And you can pick the training you want. In electronics, communications, law enforcement, food service, administration, construction, you name it. If you're qualified, we'll guarantee it, before you enlist.

So if you'd like a headstart on your career, at our expense, see your local Army Representative.

**Today's Army
wants to join you.**

Since we look to the past for our inheritance, to the present for what we are, and to the future for what we shall become, the days spent at R.H.S. have and will have a definite bearing on each of our lives.

We the class of 1974, along with Robinson High, feel that we too have come a long way.
